

City of Loma Linda Official Report

Floyd Petersen, Mayor
Stan Brauer, Mayor pro tempore
Robert Christman, Councilmember
Robert Ziprick, Councilmember
Charles Umeda, Councilmember

COUNCIL AGENDA: September 27, 2005

TO: City Council

VIA: Dennis R. Halloway, City Manager

FROM: T. Jarb Thaipejr, Public Works Director/City Engineer

SUBJECT: Award Contract for Water Valve Replacement

RECOMMENDATION:

It is recommended that the City Council award the contract for water valve replacement to Dominguez General Engineering Contractor of Rosemead in the amount of \$48,000 and authorize a contingency allocation of \$5,000.

BACKGROUND:

The City's 20" water main transmission line in Mountain View Avenue has a worn out shut off valve and needs replacement. These valves allows for the shut down of isolated sections of the transmission line for periodic maintenance or emergency repairs.

ANALYSIS:

Four bids were received and publicly opened on September 14, 2005. A bid ranged from a low of \$48,000 to a high of \$69,553, (summary attached). The low bidder, Dominguez General Engineering Contractor of Rosemead, has satisfactorily completed previous projects for the City. It is not unusual for a construction project to experience the need to add or reduce the quantities of work items or the scope of work as field conditions dictate. This is generally caused by unforeseen circumstances or work needed to maintain the integrity of the project. Therefore, Staff recommends an allocation of $\pm 10\%$, \$5,000, of the construction amount for such circumstances.

FINANCIAL IMPACT:

Funding will be provided from account 65-7010-8500, Replace Water Valve.
